Patrick O'Carroll - MI-6 Agent Hitler Sabotaged Nazi War Effort

May 21, 2025

The jokes on you humanity. You died for nothing. And will again.

Patrick O'Carroll has listed 53 examples of how MI-6 agent Adolf Hitler sabotaged the Nazi war effort.
I post #50-53 but you can drill down on all 53 points here: Patrick O'Carroll - Hitler's Fifty Deliberate Military 'Blunders' (2).pdf (https://henrymakow.com/Patrick%20O%27Carroll%20-%20Hitler%27s%20Fifty%20Deliberate%20Military%20%27Blunders%27%20%282%29.pdf)

O'Carroll- "Fake-"historians" are obliged to engage in the most preposterous of mental gymnastics to try and "explain" Hitler's FIFTY deliberate military "blunders" that he enacted in WW2 for his MI6 bosses and in favor of the Zionist powers (US, GB, RU, FR). But, if we simply drop the nonsensical mental gymnastics and prefix each deliberate military "blunder" with "MI6 ordered Hitler to ...", it suddenly becomes crystal-clear what REALLY happened and why.

The real truth is that we have CASE, AFTER CASE, AFTER CASE of Adolf Hitler obviously and single-handedly LOSING the war for Germany and WINNING it for the Zionist powers (US, GB, RU, FR).

British MI6 were the absolute MASTERS OF STATECRAFT, so poor Germany did not even stand a chance."

Above MI6, one powerful controller of WW2 was London's Marxist Fabian Society, which did not want two cities named after Marxist Fabians ("Leningrad" and "Stalingrad") to be sullied by defeat, and also did not want Moscow to be shamefully defeated since London's Marxist Fabian Society had a permanent desk in the Kremlin in 1917-91. That is the REAL reason why MI6 ordered its agent Hitler to lose at "Leningrad", "Stalingrad", and Moscow.

#50 "FORGETTING" TO MENTION THAT HE WAS JUST ANOTHER ZIONIST GUN FOR HIRE

MI6 ordered Hitler to "forgot" to mention that, immediately after WW1, he had worked for Bavaria's communists under Kurt Eisner, and was photographed at Eisner's funeral in Munich on 26 Feb 1919 here: https://ibb.co/RpHvv2hJ. MI6 also ordered Hitler to "forgot" to mention he had undergone "Illuminati" mind-control "training"

(brainwashing) in 1912-13 while he was in London, Liverpool, Vienna, and Dublin, as documented by multip**le authors.**

Trump was TIME Man of the Year in 2024. Both saved their nations from Communism and led them to world war.

#51 "FORGETTING" TO MENTION HIS COLLUSION WITH 25 WESTERN "ILLUMINATI" CORPORATIONS

MI6 ordered Hitler to "forgot" to mention that he colluded with 25 Western "Illuminati" corporations in 1923-45. Hitler traded with the Western Zionist powers (US, GB, FR, NL) and directly with all the "Illuminati" consortia: IBM (Watson); Shipping (Onassis); Standard Oil (Rockefeller); De Beers for industrial diamonds required for gyroscopes (Rothschild, Windsor); DuPont Chemical (DuPont); General Motors (DuPont); the Bank of England (Rothschild, Windsor); Remington (DuPont); Brown Brothers Harriman (Bush); Ford Motor Corp (Ford); IG Farben of NYC (Rockefeller); Chase Bank (Rockefeller); Trade and Banking (Astor); JP Morgan; the JP-Morgan-affiliated First National Bank of NY; International Telephone and Telegraph (ITT Corp); Coca Cola Company; AT and T; British Cable and Wireless; Rolls Royce; Texas Company; Davis Oil Company; Sterling Products; RCA; Royal Dutch Shell (under Committee-of-300 member Henri Wilhelm August Deterding).

Note: Prescott Bush was by no means the "only 'Illuminati' rogue who got punished". In fact, ALL of the world's leading "Illuminati" bloodlines (listed) traded with Hitler and NSDAP Germany in 1933-45, i.e. throughout WW2. Furthermore, IF the international (foreign) "Illuminati" had REALLY wanted to "block" Hitler, they only needed to order three or four of their own corporations to stop supplying Hitler or trading with him. Of course, they did NOT do that because Hitler was their "great" Zionist Agent and Stooge who would ensure the vast

movie production called WW2, masterfully scripted by "Team Antichrist", and masterfully directed by MI6, came off as planned.

#52 "FORGETTING" TO MENTION HIS COLLUSION WITH 30 COMMITTEE-OF-300 MEMBERS

MI6 ordered Hitler to "forgot" to mention that he colluded with 30 members of the powerful Committee of 300 in 1923-45. These included Houston Stewart Chamberlain (Hitler's own British mentor); Arthur Balfour; Edward Grey; Edward VII; George V; Herbert Henry Asquith; Lionel Curtis; Alfred Milner; David Lloyd George; Edmond James de Rothschild; Alec Douglas-Home; Waldorf Astor; Victor Rothschild; Walter Rothschild; Winston Churchill; Kenneth Strong; Hartley Shawcross; HG Wells; Montagu Norman; Averell William Harriman; Siegmund George Warburg; John Wheeler-Bennett; John Jay McCloy; Alfred-Pritchard Sloan; Henri Wilhelm August Deterding; Thomas John Watson; Andrew William Mellon; Owen Daniel Young; Andrew McFadyean; George VI; Edward VIII; Max Warburg; John Jacob Astor; Max Aitken ("1st Baron Beaverbrook").

The Committee of 300 would never have helped Hitler if he had not been an MI6 Agent who had previously been given the full and official approval of "Team Antichrist". Indeed, Hitler had full clearance and impunity.

#53 "FORGETTING" TO MENTION THE NSDAP WAS FOUNDED BY LONDON'S QUATUOR CORONATI

MI6 ordered Hitler to "forgot" to mention that the original founder of Nazism and the NSDAP was London's lodge QUATUOR CORONATI, whose member Rudolf von Sebottendorf founded the Thule Society, that later morphed to become first the German Workers' Party, on 5 Jan 1919, and then the NSDAP (dubbed Nazi Party) in 1920. But whether the NSDAP was under MI6 control from Day-One is academic; it was certainly under MI6 control by 1930.

Working in London, QUATUOR CORONATI member Helena Petrovna Blavatsky (born Helena Petrovna von Hahn) formed the whole "Ayrian" "ideology" for the NSDAP (basing this on the supremacist Talmud and Kabbalah) and she suggested the important change

whereby the Freemasonic Clockwise Swastika should be depicted at a 45° angle. Thus, she was the original designer of the NSDAP's Freemasonic Clockwise Swastika (Freemasons always invert religious symbols and, originally, the most common rendering was an Anticlockwise Swastika).

ALREADY IN APRIL 1939, "TEAM ANTICHRIST" HAD EXPLICITLY DEFINED HITLER'S TWO MAIN TASKS

On 23 Apr 1944, in the Chicago Herald-American, German-born US journalist and war correspondent Karl Henry von Wiegand wrote: "In Apr 1939, four months before Hitler invaded Poland, US ambassador William C Bullitt, whom I had known for 20 years, called me to the US embassy in Paris. Both of us standing before the fireplace in his office, the windows of which faced the Place de l'Accord, the US ambassador in Paris told me that war had been decided upon. He did not say, nor did I ask, by whom. He let me infer it. When I said that, in the end, Germany would be driven into the arms of communist Russia and of Bolshevism, the US ambassador replied: 'What of it? There will not be

enough Germans left when the war is over to be worth bolshevizing' ...". This quote is also contained in Michael Walsh's 1996 book *"Witness to History",* which is available here: (http://www.jrbooksonline.com/PDFs/Witness%20to%20History_full.pdf) http://www.jrbooksonline.com/PDFs/Witness%20to%20History_full.pdf (http://www.jrbooksonline.com/PDFs/Witness%20to%20History_full.pdf)

This quote confirms that the Zionists gave their MI6 Agent Hitler two main tasks: To help genocide very many Germans and to "drive Germany into the arms of communism". The Zionist hope was to genocide 50 million Ethnic-Germans (about half the Ethnic-Germans of Central Europe) but they "only" "achieved" 37 million. To his "Eisenhower Papers", Dwight David Eisenhower appended the annotation "It is a pity we did not kill more [Germans]". Eisenhower was mostly demonstrating this (perhaps feigned) "regret" to impress his own Rothschild Zionist-Handler, Bernard Baruch, who first made him a military "star" and then made him a political "star".

HITLER'S HANDLERS

"Team Antichrist" gave Hitler several different handlers, who included:
1. Max Warburg (until 1938);
2. Martin Bormann (who was at Hitler's side throughout WW2 and was a Triple Agent for DE, GB and RU); 3. Ernst Hanfstaengl;
4. William de Ropp;
5. Karl Mayr (in his 1961 autobiography, Sefton Delmer showed documents proving that Hitler received orders from Karl Mayr, who was almost certainly a Russian agent and probably a British agent too).

HITLER'S BOSSES

"Team Antichrist" gave Hitler many bosses, but his TOP THREE Zionist bosses in 1933-45 were: 1. Bernard Baruch.
2. Victor Rothschild.
3. The "holy" rabbi Yosef Yitzchak Schneersohn, who was the CHABAD leader in 1920-50.

Trump and Satanyahu, brothers in arms

CONCLUSION

WW2 was brought to you by "Team Antichrist", the makers of WW1. And the Oscar for Best Director goes to MI6. WW2 WAS THE SINGLE MOST CONTROLLED CONFLICT, BAR NONE, IN ALL OF HUMAN HISTORY.

Already in Jan 1871, "Team Antichrist" started planning WW1 and WW2 as "one war in two stages to get rid of the Germans for once and for all". But, Hitler was a member of "Team Antichrist", which NEEDED Hitler to totally ruin Germany, but also to get the timing right. Three times in history, in 1895, 1935, and 1985, Germany showcased itself as a "Worker's Paradise" and also demonstrated how really EASY it is to create a superb economy if you just remove the City-of-London-Parasites from the equation. But, each time, "Team Antichrist" moved to suppress the simple "secret" that Germany had revealed, and to totally destroy Germany's "Worker's Paradise". From the point of view of "Team Antichrist", the Germans were "just too good at everything" so they had to be wiped out.

But Adolf Hitler was the most important piece in the puzzle. He made sure a German victory simply was not to be.
In your mind's eye, in 1912, you can just hear a top MI6-Tavistock controller shouting the following in an upper class British accent: "Just keep it simple, man; Give them feces-colored uniforms; Call them

something like the NASTIES; and call their leader something that sounds like HITMAN! But for his first-name, make sure you choose the name ADOLF because that is JUST what Germans would call a TRAINED ATTACK DOG!"
